

I am a daily listener to KLOVE (KDLV Denver/Morrison) and could not imagine my day without the positive songs, uplifting DJs, and encouraging news and daily power verse from the Bible. It helps keep my mind on the Lord daily, instead of secular goings-on heard on other radio stations. I don't have to worry about what my children may hear, or what my parents, friends or neighbors may hear when they come to my house, because it is never trashy or degrading to anyone. I think a great disservice would be done if KLOVE's frequency was replaced by another station. On average, one person per minute surrenders his life to the Lord, or opens his or her heart to Him. So many people need to hear this Good News, and it is done in a non-pushy or non-threatening manner, in people's homes or cars or offices. Please consider this letter before you make a decision regarding this important radio station. Thank you, Jill Ritter
